

Sandlot Baseball Academy Summer Camp Ages 6-16

The Sandlot Baseball Academy, Orange County's premier provider of baseball and softball instruction, announced today its Summer Camp Program for students ages 6 to 16, featuring its certified instructors, along with current and former collegiate players, and new 8,000 sq. ft. state-of-the-art training facility. This comprehensive baseball camp will focus on the fundamentals of the game, including hitting, bunting, pitching, rundowns, catching, cutoffs, sliding, base running, fielding, relays, mental approach, and more. The cost to register is \$145.

The camps will be one week each and scheduled into half-day morning or afternoon sessions, beginning June 18th through August 27th. The sessions will be organized into differing curriculums so that interested students can attend both the morning and afternoon sessions and practice different drills at each. Students will be divided up by age and skill level, and all students will receive a camp T-shirt. Lunch may be purchased daily, or campers may bring their own. The cost for lunch is \$3 per player per day for two slices of pizza and a soft drink. Gatorade and water may also be purchased.

Pre-camp early drop-off and after-camp supervision is available for working parents for \$10 per hour per camper. Early morning drop-off will begin at 7:00a.m. daily, and after-camp daily supervision will be available on a per student scheduled basis. Sandlot instructors will provide supervision during these periods and will work on small group baseball drills, additional pitching and hitting instruction and batting cage hitting practice.
